### THE SILVER CONVENTION.

The three calls made last week for a Silver Convention seem to have been pretty generally approved by the people, and the indications point to a large attendance. While this would have been desirable under general conditions, there are now reasons why the people should come together for a determined purpose. The Cleveland-Jew combine are moving to still further increase the debt of this government. A halt ought to be called. Let the people meet and do it. In 1775, North Carolina was the first State to declare against the encroachment of royalty and money power on the rights and property of the people. The whole country followed. Let the record be kept up. Let North Carolina, on September 25th, 1895, make a declaration in the same spirit that characterized her in 1775, and the country will follow dency.

In Atlanta over 4,000 bottles Swamp Angel Medicine. O needs cultivating right here in North Carolina, or will these things go on

OVER ONE HUNDRED THOUSAND BOTTLES SOLD AND WARRANTED. Angel Medicine stands in medical science where Mergenthaler type-setting machines stand in the printer's art—at the head. The people say it is the greatest pain destroyer and germ and microbe killer on earth. It is the only medicine of its class in the world made without any acids. Swamp Angel Medicine is manufactured from the extracts of roots, barks, gums, vegetables, oils, alcohol, chloroform and gases. By practical experience it has been found in the above number of cases that Swamp Angel Medicine is the most magical medicine made for internal and external use. The above 100,000 purchasers say it

will cure, and the manufacturer guarantees it to cure-ONSUMPTION, ASTHMA, CATARRH, Bronchitis, Throat Troubles, Sore Throat, Coughs, Cold and all Bronchial Diseases, Rheumatism, Stiff Joints, Swollen Limbs, Backache, Headache, Toothache, Neuralgia, Piles and Corns—a certain cure for Indigestion, Dyspepsia, Colic in man or animal, Croup, Diarrhœa, Dysentery, Plux, Cramps, or any unnatural pains in the bowels or stomach; removes colds, dead sensations of the limbs, cures cold feet and stops all paralytic tendencies. Swamp Angel Medicine will kill almost instantly all Piles, Fleas, Lice, Bugs, Bees, Worms, Parasites, Microbes, or Germs of Life of every variety, and will therefore destroy all growing and Fatty Tumors, Goiters, Wens, or Swollen and Enlarged Breasts, and give immediate relief to bites of poisonous snakes and stings of insects. is the finest liver medicine on earth, and will cure Womb Troubles, Female Ir-

regularities, all Kidney and Liver Complaints, and never fails on Deafness. Full directions for using are wrapped around every bottle. On December 1 On December 13, 1893, Dr. Herman M. Biggs, bacteriologist of the health board of New York city, informed that body that consumption was caused by a small louse, parasite or germ; that it was contagious and eats up the human lung. On December 14, 1893 (see Health Reports), the health board decided that Dr. Biggs was correct in his diagnosis, and passed a resolution to isolate all persons in the city suffering with consumption. Therefore, it is the bugs, sim-

to you to find a bug, worm, bee, spider, wasp, louse, or human parasite, germ or microbe that can live in Swamp Angel
Medicine. Drop any consumption remedy or cough medicine on a spider, a bee, or even a fly, ten to one that such an insect will commence to eat of your "great and wonderful medicine." Then let a small portion of Swamp Angel Medicine fall on a board three inches or more from a fly and instantly it commences a series of girations, and soon falls over dead, killed by the poisonous gases of Swamp Angel Medicine. Then pour out thirty drops of Swamp Angel Medicine in sugar, swallow it, close your mouth, and you can feel liquid fire and gases coming through every air-cell of your lungs and passing off through the nostrils. Common sense must thus show you that the same gases which are so deadly to the fly must certainly have a similar effect on the "tubercle bacilit," the moth-eating parasite on the lungs.

THE FIRST CURE MADE. In December, 1892, I started from Georgia to Florida to die a consumption. The disease had been slowly creeping on me for fifteen years. I was a skeleton, 120 pounds—no digestion, no appetite, no ambition, and no special desire to live. On my way South I became acquainted with an old Doctor. With his help and advice I invented the Swamp Angel Maclicine. On March 1, 1894, I had been using this medicine about fourteen months from 100 to 200 drops a I had been using this medicine about fourteen months, from 100 to 300 drops a day. On my return to Atlanta, after an absence of less than a year selling this medicine, I stepped up to Mr. Wright, chief of the detective force in Atlanta, and medicine, I stepped up to Mr. Wright, chief of the detective force in Atlanta, and one of the smartest men in Georgia remembering faces, and extended my hand. He said: "Really I don't remember you; seems like I have seen you some where." This is D. W. Marion, the man you saw three straight months every day at 97 Decatur street." "Indeed, indeed! Is that so? I never would have known you. How you have changed! You look ten years younger. What on earth have you been doing to yourself?" "Taking from 100 to 300 drops of Swamp Angel Medicine every day," was my reply. Mr. Brannan, chief clerk of the city delivery for the Lamar-Rankin Drug Co., who sold me drugs every day for three months, did not know me on my return. I had a room rented on Cherry street, Macon, Ga., during 1892. I met the policeman, Mr. Taylor, of that beat, a year after I had commenced the use of Swamp Angel Medicine. He said: "Surely you are not the man who was dying of that terrible cough and lung trouble in the rear of Wing's printing house? Why, when I passed your room at midnight I heard that cough. I said to myself, 'You are not long for this world.' And here you show up in the pink of health. What have you been doing to gain so rapidly and look so much younger?" My reply was the old story, "Swamp Angel Medicine." In fact, kind reader, few people who knew me a year ago, a consumptive invalid, can recognize me to-day. I weigh 160 lbs., have a good appetite and the powers, faculties and ambitions of a man in the prime of life. Now, let me say to you that if you have symptoms of lung disease don't delay if you are not dying. Try Swamp Angel Medicine; it never fails. Over 100 remarkable cures of consumption are on my books and reported by letter. one of the smartest men in Georgia remembering faces, and extended my hand. DEAFNESS CURED. C. G. Tittenden, of Atlanta, Ga., cured of deafness of fifteen years standing. Celia White and Mary Caswell, both of Atlanta, cured of almost total deafness after testing numbers of remedies and many doctors. Swamp Angel Medicine has never failed on a case of deafness.

DHEUMATISM CURED. Theadore Fletcher cured with 2 bottles of medicine; had spent \$200. T. Gaza cured with the medicine after suffering five years. Mrs. D. Bronvi cured a badly inflamed and swollen arm in one night with Swamp Angel. Rep

weeks. G. W. Owens suffered since the war with rheumatism; cured completely. In Atlanta over 4,000 bottles Swamp Angel Medicine. Out of this large number of patients treated and using this wonderful preparation there have well with Swamp Angel Medicine in two weeks. The above people live in Atlanta. Mr. Kiker, of Buchanan, Ga., on crutches three months, commenced with Swamp Angel Medicine; in two days threw his crutch away, and in two weeks he was out in the field at work. A late case is reported as follows: "J. M. Jones, Practical tests by the above number of families show conclusively that Swamp rheumatism and one bottle Swamp Angel Medicine has her nearly well," So it goes in a hundred cases. Can't name them-no space.

SWOLLEN BREASTS, TUMORS, GOITERS, WENS, AND SWELLINGS are caused by parasites. The milk in a mother's breast will sour and ferment. Then commences the mischief. Kill this trouble every time with Swamp Angel Medicine. Goiters, tumors, and wens are developing worms. Kill them every time with Swamp Angel Medicine. Wall Chapman, Sam Jones (colored) Mollie Dixon, H. Temple, all of Atlanta, all cured of bad cases of tumors, and goiters. Sam Jones, especially, was being choked to death with a large go ter on the neck. In one month was wearing a collar and necktie, same as other people. Swamp Angel Medicine did the work. Could add fifty cases if had space. FIDNEY, BLADDER AND LIVER TROUBLES.

Swamp Angel Medicine acts most effectively on the Kidneys. The urine often smells of the medicine, especially when taken in large doses. G. W. McWilliams, president of the Sub-Alliance at Stockbridge, Ga., could not stoop and pick up a pin. After using Swamp Angel Medicine three weeks he could pick up 130 pounds. It made him a new man; better than he had been in twenty years. James Jackson, Atlanta, suffered for years with diabetes; cured with two bottles of Swamp Angel Medicine. Russell Whaley, Atlanta, cured of inflam-mation of the bladder in one week with Swamp Angel Medicine.

A STHMA AND CATARRH, conceded by the best medical experts to be caused by parasites, germs or microbes, Swamp Angel Medicine never fails to kill the bugs. Mrs. Spinks. living on J. J. Brogdin's place, near Lawrenceville, Ga., had been propped up in bed six months with asthma. In a week after commencing the use of Swamp Angel Medicine she was up and doing her own housework. Could give you many remarkable cures of both catarrh and asthma. Swamp Angel Medicine will cure f you give it a trial.

RYSIPELAS, DIARRHOEA AND COLIC
are all caused by germs, microbes or parasites. John Daniels, Atlants,
was struck with a baseball bat. A gash in the cheek and three teeth out.
Brysipelas set in. Three days after his face was a horrible sight. Saturday night SCIENCE THROUGH THE MICROSCOPE

can distinctly see these small germs or microbes eating the live fibre and warm blood-drops of man as with the naked eye you can see a worm in a swollen face. J. R. Clower, Atlanta, at midnight said: "Oh, I will die betore day!" Congestion of the stomach. Dr. D. W. Marion pumped five doses or 190 drops into this gentleman in 20 minutes. He was up and walking about in an ist, says: "The only medicine of nature is that which will destroy the germs of disease."

Clower, Atlanta, says: "Not one of the ten children has had La Grippe, a cough this winter. At the first symptoms of trouble we give and take Swamp Angel Medicine.'

THEIR NAMES ARE MANY. Margaret Morton, 45 Courtland street, down in bed six months with consumption. McDonald, West End, Ga., suffered thirty years with throat and lung diseases; cured sound and well with Swamp Angel Medicine. Dora Strickland, DeKalb county, down in bed three months with consumption; she was walking about everywhere after commencing the use of Swamp Angel Medicine. Isaac Harper (East Point, Ga.), J. H. Thomas, J. H. Cooper, Mattie Tomkins, Aleck Haywood, all of Atlanta, were cured of lung diseases by this remedy.

YSPEPSIA AND INDIGESTION.
Swamp Angel Medicine is a wonderful tonic, and therefore never fails on Dyspepsia and Indigestion. This trouble is simply fermentation of the stomach. Fermentation is regeneration. See yeast working and milk sourstomach. Fermentation is regeneration. See yeast working and milk souring through a microscope. Millions of bugs are visible. So with Dyspepsia, indigestion, and sour belches; the gastric juices have failed to force digestion. One dose of Swamp Angel Medicine put an immediate stop to all fermentation in the stomach. It kills the bugs. Cures in Atlanta, S. T. Timmons, W. S. Webb, J. H. Ray, O. K. Hornby, W. G. Gibson, and no more in Atlanta alone.
